Columbus Day Horse Show

Columbus Day is a big day for the YFC Show Team. It is our end of the season horse show. This year was especially important to maintain normalcy and we had a wonderful fun-filled day. If you recall, Hurricane Delta was coming up the coast and it was supposedly going to be a very wet day for our area. God mercifully answered my prayers and the hurricane went out to sea and we had great weather for the day.

We started the day with serious classes that included jumping and equitation which is how the rider sits on the horse. Improvement by all of the riders this year was so exciting to see. Teens went from learning to canter last fall, to jumping courses during this horse show. A Show Team alumni was our judge for the day.

After lunch we played games and the teens thoroughly enjoyed themselves. This year has been a year of cancelations and disappointments, but not on Columbus Day. All day teens were having fun and smiling faces were seen everywhere.

I requested that the teens read the book of James before our horse show. During our Bible lesson time I asked what stood out to them. We then had a nice discussion about their thoughts and it was wonderful to see that some teens actually read James beforehand.
