### SHOW TEAM TRIBUTE

This summer I came up with a new idea for the Show Team to promote patriotism and honor our country. We started by working diligently with the horses to desensitize them to the American flag. We then purchased flag holders that could be held by a rider's foot. Next, we practiced cantering around the ring with the flags flying high and the National Anthem playing.

We have now performed this tribute three times. The first time was at our Adventure program performance at the Davidson property, the second was at a youth show at the Norwich Chenango County Fair and a third time at the Walton Delaware County fair.

I'm excited about this new endeavor for the Show Team. With the loss of our 13 members of the military in Afghanistan, it brings to the forefront the cost of freedom and with this display of honor we can all be reminded of that cost.

All are welcome to come to our next National Anthem display during the October 11th horse show at Davidsons around 10 am. We are also looking forward to next spring and the possibility that we may be able to participate in a Memorial Day parade with this riding display.

We had three Adventure Programs take place this summer at the Davidson property, two for girls and one for boys. Each one was filled with the maximum number of participants and we are thankful that the teens and leaders had good experiences.

Please pray for our programs and ministries that will be taking place during the school year. YFC is hopeful that this year we will reach more teens. The staff and volunteers will be continuing to teach teens that they are loved and that a relationship with Jesus should be a priority in their lives.

In Christ, Dorothy Davidson
